**BLOOM, United States Magistrate Judge:**

By letter dated October 12, 2010, plaintiff moves to compel defendants' responses to discovery requests, which had purportedly not been timely served. (Document 32.) Defendants respond, stating that they timely mailed plaintiff the responses on October 12, 2010. (Document 33.) Plaintiff's request is therefore denied. The Court reminds plaintiff that he is obligated to make a diligent, good faith effort to resolve any discovery dispute with opposing counsel before seeking Court intervention. (See Discovery Order dated May 20, 2010, document 19.)

SO ORDERED.

Dated: October 21, 2010
